

DER KAVALIER

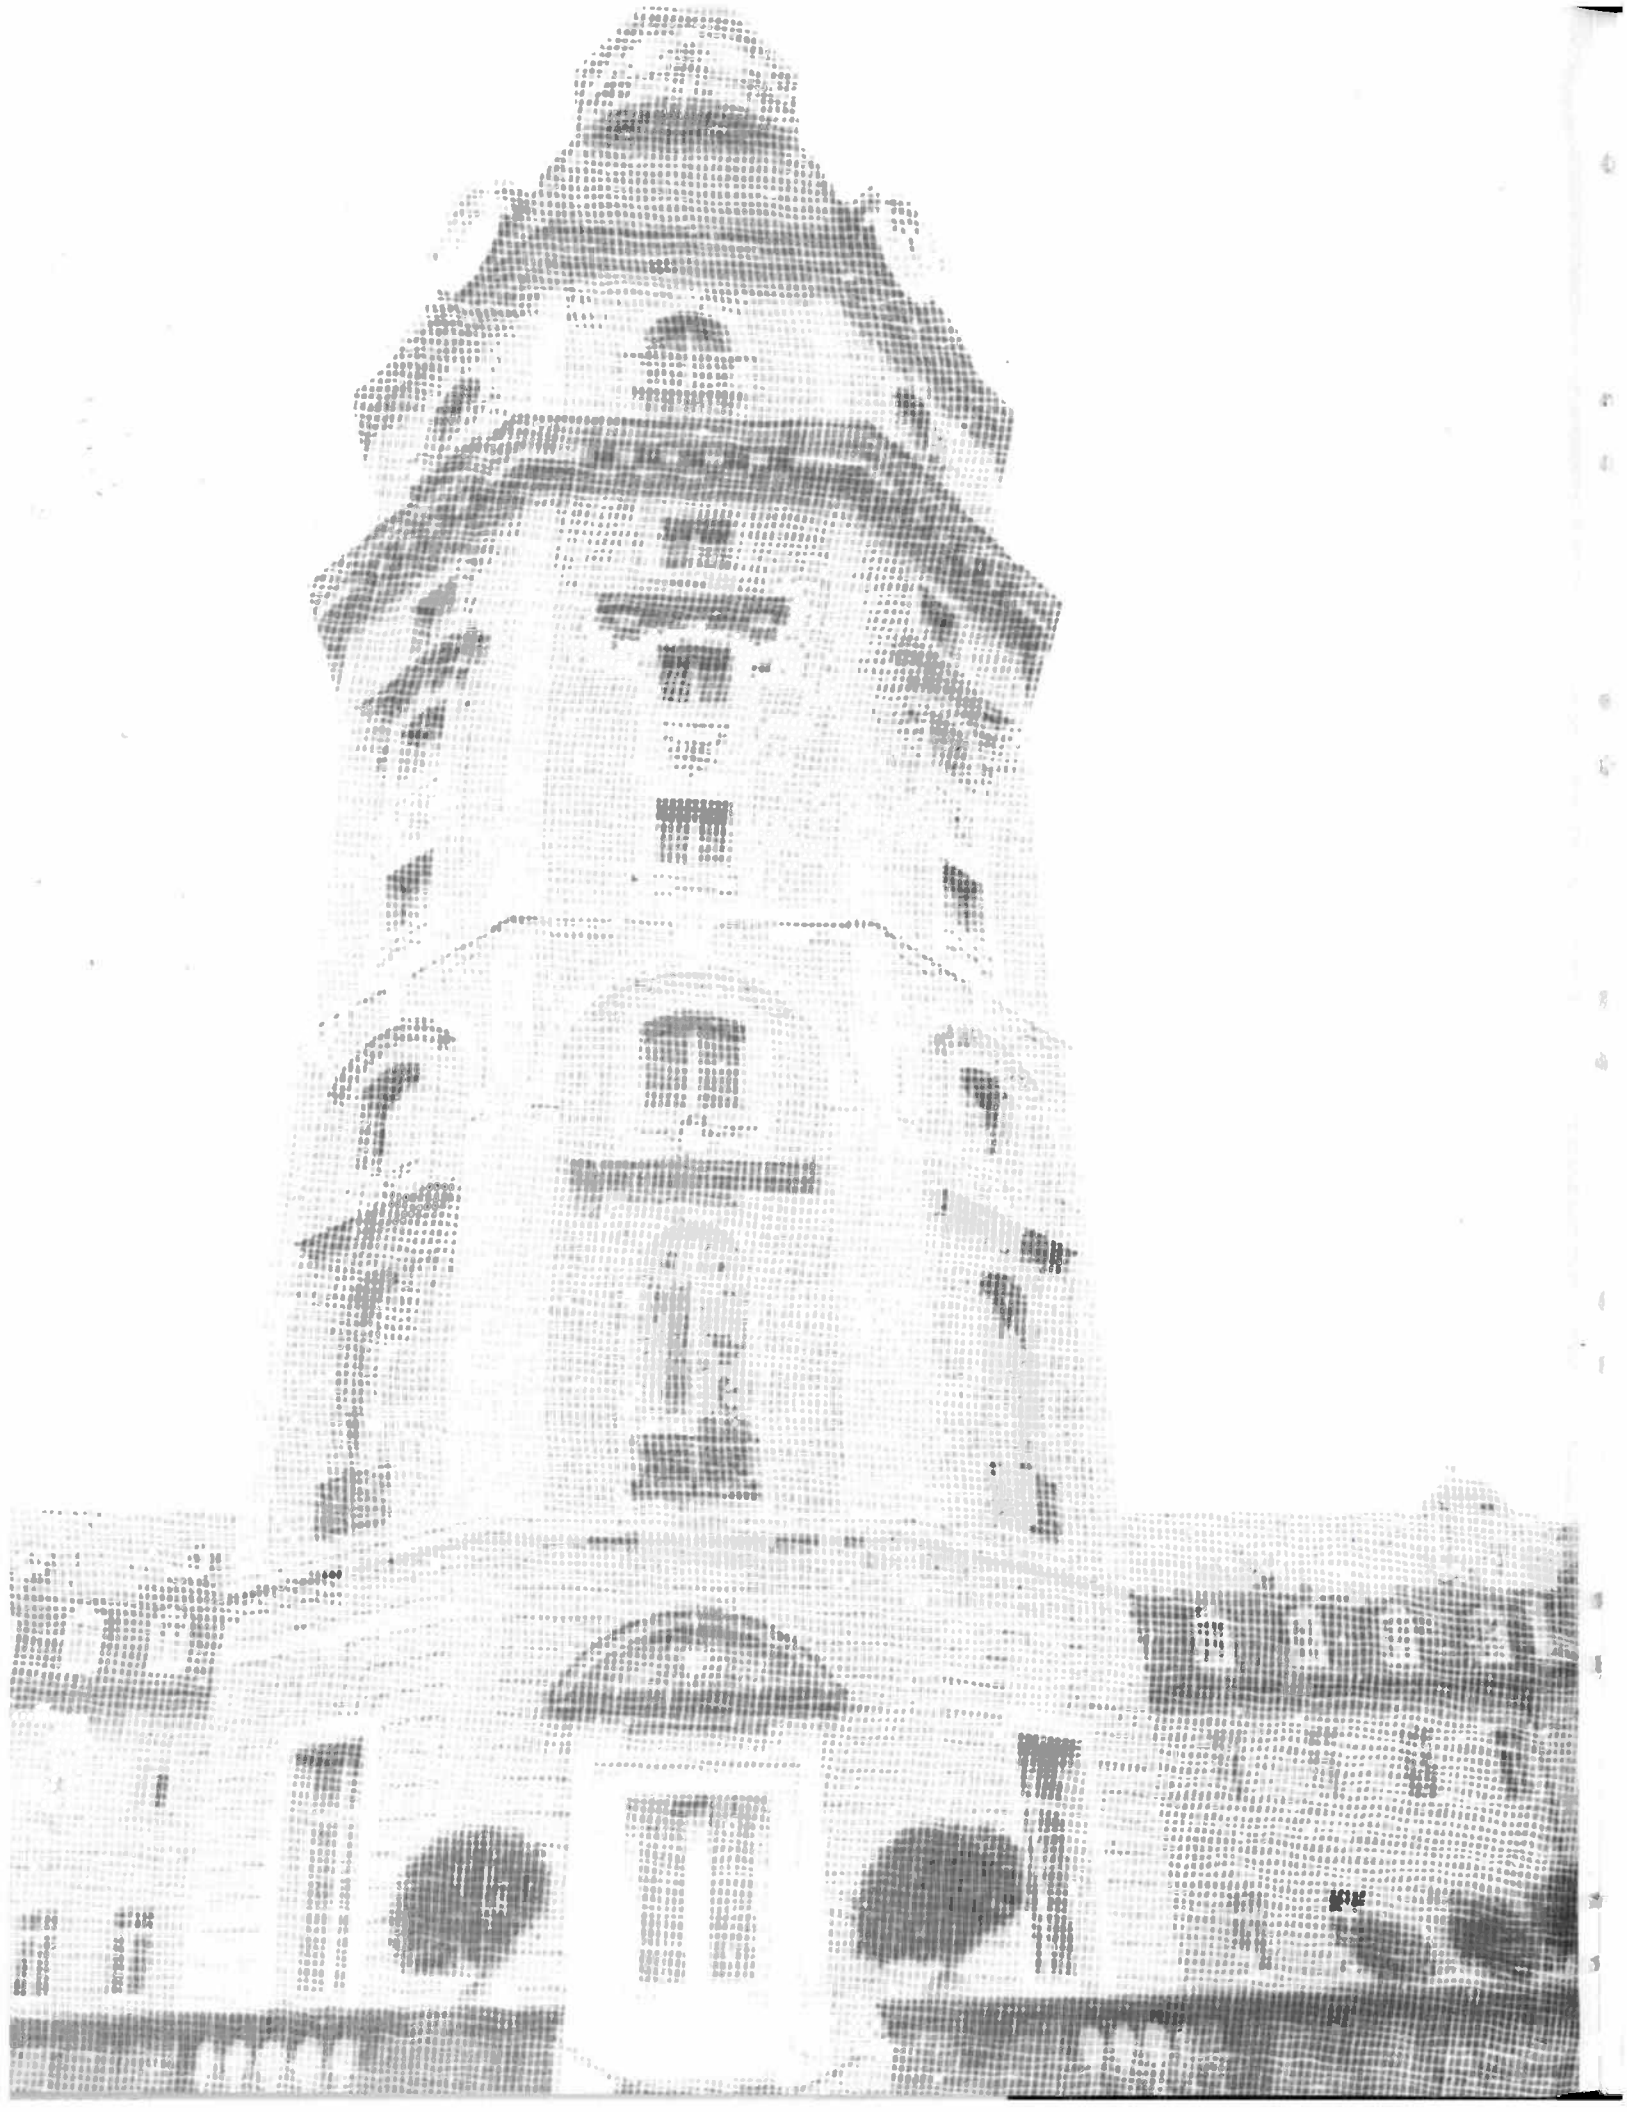

DER KAVALIER

1974-75

Richard J. Seal

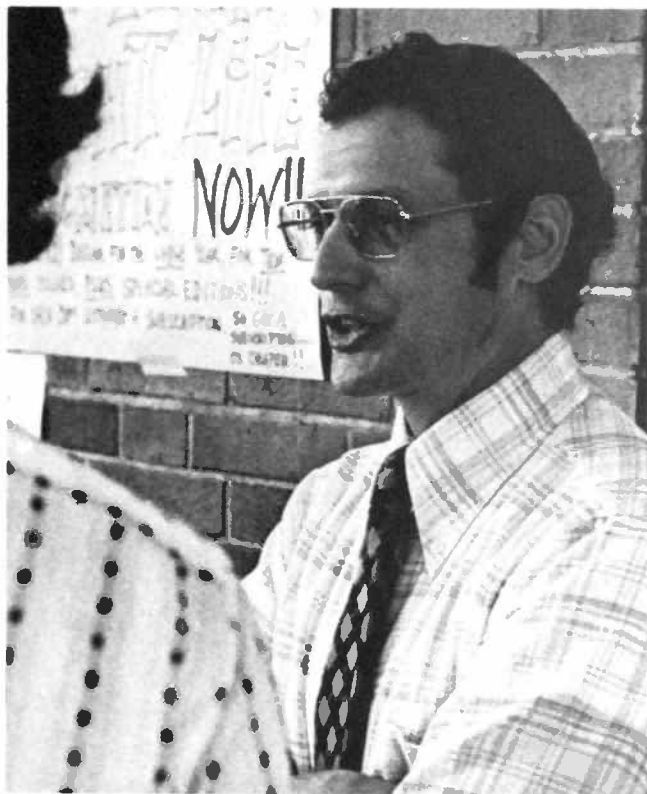

DEDICATION

The yearbook staff of 1975 is proud to dedicate this edition of **DER KAVALIER** to our outstanding and outgoing principal, Mr. Frederick Fulkerson.

Let's go
Come on
Let's go
Empty out our pockets
and disappear

Let us not worry about the
payments
anymore
Let them come
and take it away
whatever it was
we were paying for
and us with it

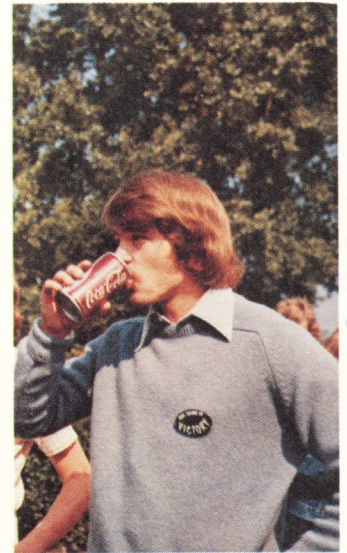

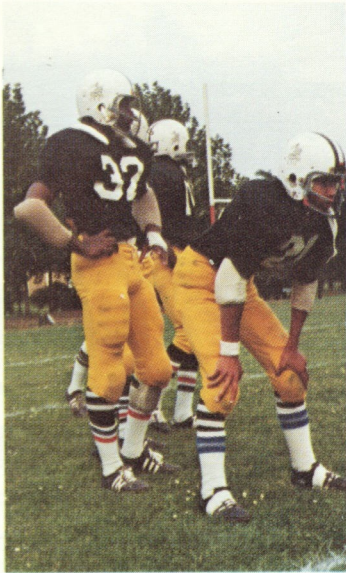

KNIGHT FALL SPORTS

The world is a beautiful place to be born into
if you don't mind happiness
not always being
so very much
fun
if you don't mind
a touch of hell
now and then
just when
everything is
fine
because even in
heaven
they don't sing
all the time

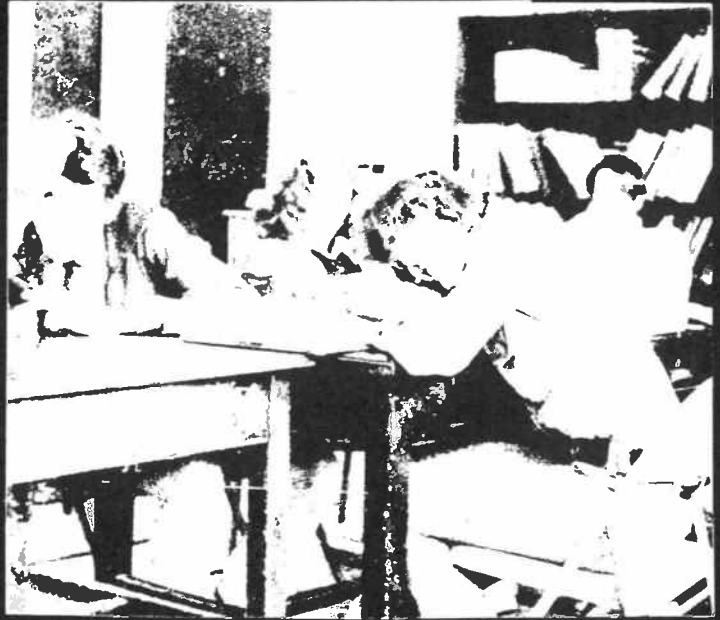

One of those paintings that would not die
its warring image
once conceived
would not leave
the leaded ground
no matter how many times
he pounded it
into oblivion
Painting over it did no good
It kept on coming through
the wood and canvas

HOMECOMING

All of us have experienced different moods and emotions; warmth of the bonfire; the excitement of the half-time show; the pride in our court; and the thrill of the winning T-D: all made up the happiness we shared.

This year has shown us moods and emotions. Although the year and its activities can't be repeated, the memories are ours forever!
